

24-Port, 1U & 48-Port 2U F/UTP Blank Patch Panels

Product Detail

Overview

24-Port & 48-Port F/UTP (shielded and unshielded) Patch Panels are compatible with all Wavenet modular connectors to maximize versatility with a variety of media applications and enable easy upgrades and expansions. The panel fits all industry-standard 19-inch racks and cabinets. They are integrated with ground wire and rear cable management bracket.

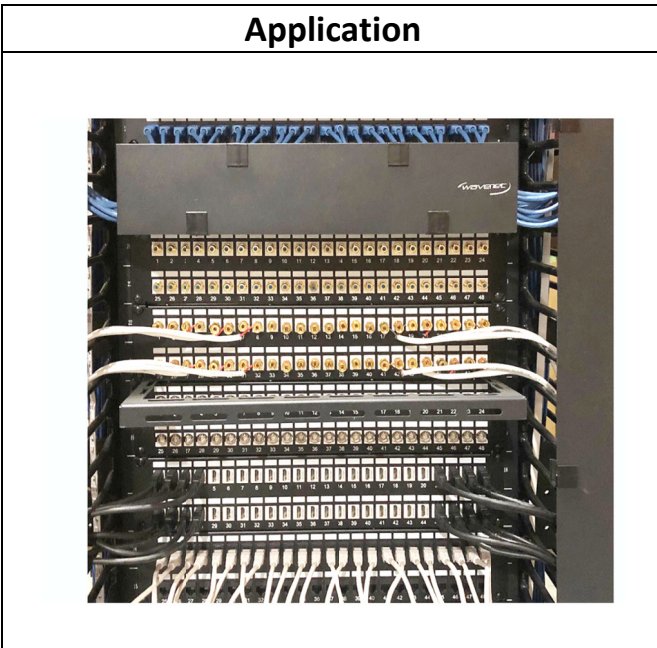

Features

- 24-port & 48-port blank keystone patch panels
- 1U & 2U 19" rack, cabinets and wall mount brackets mountable
- Use with all Wavenet's keystone jacks and modular keystone style connectors (sold separately)
- Good for F/UTP (shielded or unshielded) applications
- Come with ground wire and rear cable management bracket

Compliance

- RoHS
